Junior Kindergarten Program Four Year-Olds

(by December 31st of the year they enroll)

Welcome to the Early Childhood Education (ECE) Program at Queen Margaret's School

Queen Margaret's Early Childhood Education programs are designed for three and four year old boys and girls. We offer nurturing and play based programs enriched with a wide variety of developmentally appropriate activities that promote social, physical, intellectual, creative and emotional development.

Preschool (three year-olds)

Our preschool program offers your early learner a chance to explore all developmental areas in a safe and nurturing environment. Weekly themes are enriched through arts and crafts, music and movement, story telling, small and large motor activities, dramatic experiences and fieldtrips.

Junior Kindergarten (four year-olds)

Our Junior Kindergarten program continues to build on the skills learned in preschool in a fun, more structured environment. Children are introduced to an early literacy program in preparation for Kindergarten. Learning is structured through play promoting developmentally appropriate academic and social activities so children can experience success and mastery.

Queen Margaret's believes that all children are unique and deserve the right to feel safe, respected and encouraged as they reach their goals in the process of learning.

The Queen Margaret's ECE program fees also cover weekly visits to the school library, gym, healthy snacks, and hot lunches. Afternoon daycare is provided at an additional cost until 5:00pm.

QUEEN MARGARET'S SCHOOL

Choosing the right school for your children is a challenging task. A school influences their attitude to learning, their foundation of knowledge, and their artistic and athletic abilities. The right school provides a circle of friends that will follow them through life, and will cultivate a moral compass to help guide their way.

“Both of our boys have flourished in the safe and nurturing learning environment that the QMS ECE program proudly offers!”

- QMS ECE Parent and Alumna

“At QMS you are guaranteed a compassionate, caring, welcoming environment for your child. I loved that every child was included and valued. My daughter loved to go to school everyday.”

- QMS ECE Parent
