I enclose cash, cheque payable to **Queen Margaret's School**, bank transfer or credit card authorization.

I, _____, and I, _____, jointly and

severally agree to the terms and conditions set out below:

1. I/we accept the responsibility for and jointly and severally promise to pay the School account for the full year. This amount includes tuition fees, School and incidental expenses, and any other charges incurred by or on behalf of the Student while attending Queen Margaret's School.
2. Payment of the annual fee, less any scholarships or allowances awarded or permitted by the School, shall be made either in advance or by installment as arranged with the Financial Office. No reduction in fees or allowances will be made for the Student's temporary absence, withdrawal or dismissal except in accordance with the Tuition Refund Plan, a copy of which is enclosed and forms part of this agreement. Any extra expenses as described in paragraphs 4 and 5 (below) remain payable.
3. Where I/we elect (subject always to the approval of the Financial Office) to pay fees and expenses in ten (10) monthly payments, I/we agree to make payments commencing August 1, 2011, continuing through to and including payment on May 1, 2012. I/We understand that our children will not be able to begin classes in September unless postdated cheques or pre-authorized payment arrangements have been made with the accounting department.

4. It is the unconditional obligation of the parent, guardian or others accepting financial responsibility to pay the annual tuition fees and all School expenses for the full School year. Payment by monthly installments does not constitute a fractional contract. If arrangements for payment by installment have been made, and the installment payments are in arrears, or there has been failure to pay when due, the entire Annual Fee will become immediately due and payable. A child may be refused admission to classes if accounts are in arrears.
5. Extra expenses incurred by the Student shall be paid within fifteen (15) days of the issue of the statement of account. If the school has automatic credit card charging instructions on file, the credit card will be charged within 5-10 business days of the issue of the statement.
6. If accounts are in arrears in June 2012, Student report card(s) and transcripts may not be released. Should the School use the services of a lawyer to collect monies overdue, or to otherwise enforce the terms of this Agreement, I/we agree to pay the School for such legal services on a solicitor and his own client actual cost basis.
7. Any unpaid balance on the account shall be assessed compound interest at the rate of 2% per month (26.9% per annum). Any payment received shall be applied against the oldest outstanding invoice first.
8. This agreement does not imply an obligation of continued enrollment. Enrollment may be terminated at any point in the School year when the School deems that the academic, emotional or social needs of the child cannot be reasonably met by the School. In such an instance, any part of the Annual Fee then unpaid and any extra expenses owing are due and payable immediately. A partial credit may be given as determined by the Tuition Refund Plan.
9. The School expects the Parents/Guardians and their child to be mutually respectful and positive members of the School community. If this is not possible, the School may require their child to leave the School. The decision of the School in this regard is final. Where a Student is dismissed, any part of the Annual Fee then unpaid and any extra expenses owing are due and payable immediately. A partial credit may be given as determined by the Tuition Refund Plan.
10. This Agreement and its application and interpretation shall be governed by the laws of the Province of British Columbia.
11. The parties agree that from the date that the Student arrives at the School for the academic year, the Student and Parents/Guardians shall be subject to all School rules and regulations. The parties agree that the School has the right to require withdrawal of the Student if the Student's academic achievement or behaviour does not conform to the Code of Conduct or other standards set out by the School's administration, as determined by the School in its sole discretion. In such a case, the undersigned shall remain obligated for the full amount due hereunder, which shall at such time become immediately due and payable, notwithstanding any previously selected payment schedule.
12. This agreement expires at the end of the 2011-2012 School Year. This agreement is not automatically renewable and the parties hereto have no obligation to enter into an agreement for the following School year.
13. I/we have read the terms set out in this agreement and the Tuition Refund Plan. By signing this contract, I accept the conditions of admission and enrollment set out herein and in the terms of the Tuition Refund Plan, and agree to fully support the policies, rules and regulations of Queen Margaret's School.

2011-2012 Tuition Refund Plan

The school offers a tuition fee refund insurance plan that is mandatory for all students. Details of the Tuition Refund Plan are as follows:

A. Terms of Tuition Refund. Note: Refunds will not be allowed for withdrawals after March 1.

The Student Deposit paid to confirm registration for a student each year is non-refundable and is not covered under the Tuition Refund Plan for any reason or at any time.

1. **Medical Absence or Withdrawal** –100% refund of the unused tuition fees, less the student deposit, provided physical disability extends for thirty-one or more consecutive days. This is for physical disability certified by a legally qualified physician or surgeon.
2. **Non Medical Withdrawal or Dismissal** – 50% refund of the unused tuition fees, less the student deposit, after September 25th, 2011.

N.B.: Unused fees may not be refunded for up to 60 days to allow for collection of all outstanding expenses incurred.

B. Not covered under the Plan

1. Medical absence or withdrawal:

- (a) illness that first manifested itself or accident that occurred before effective date of coverage,
- (b) any medical condition for which the student does not regularly receive legally qualified treatment,
- (c) use of drugs (any drug or agent classified as a narcotic, hallucinogenic, psychotic, psychedelic, or having a similar classification or effects),
- (d) war or act of war, declared or undeclared; participation in a riot,
- (e) no refunds will be made in the event the Head of School orders the closure of the school due to an epidemic or when closure is ordered by the local public health authority.
- (f) inability of the school to operate and provide formal academic instruction including closure for any reason.
- (g) any withdrawals after March 1.

2. Non-medical withdrawal or dismissal:

- (a) any absence, withdrawal or dismissal prior to attending classes,
- (b) withdrawal caused by insurrection, rebellion, riot, civil commotion or any governmental order directed to the student,
- (c) war or act of war, declared or undeclared; any nuclear reaction, controlled or uncontrolled,
- (d) destruction of any school facility due to any cause whatsoever,
- (e) inability of the school to operate and provide formal academic instruction including closure for any reason,
- (f) boycotting of classes,
- (g) being inducted or drafted into the armed forces including alternative duty as a conscientious objector,
- (h) fear of contagion.
- (i) any withdrawals after March 1.
- (j) any withdrawals after June 1 and prior to the commencement of school in September.

C. Definitions

All students, including late-entering students, must enroll in the Plan.

Refunds – based on an academic year of forty consecutive weeks or approximately 280 consecutive calendar days, including weekends, holidays and vacations within this period. In the case of day students, substitute 170 days.

Withdrawal – means complete, voluntary severance from classes for the balance of the academic year.

Dismissals –means complete, involuntary severance from classes by the school authorities for scholastic or disciplinary reasons for the balance of the academic year.

Classes – means days of formal academic instruction including examinations. Registration, graduation and orientation days are not class days.

Temporary non-medical absences, temporary suspensions or change from boarder to day status for any reason are not a basis for claim under the Tuition Refund Plan.

Terms of Coverage: Medical – from August 1 through March 1.
 Non-Medical – for the entire academic year after classes commence until March 1.

Why is the Plan important?

Parents should fully understand their annual financial obligation for tuition and other fees. Because commitment for salaries and maintenance are made on an annual basis, the absence or withdrawal of a student does not reduce operating expenses. Therefore, most schools out of necessity must take the position that there can be neither refund of fees paid nor cancellation of unpaid fee obligations.

This means a parent makes a financial commitment for the full year. In the vast majority of cases, this works out with no problems. Unfortunately, some students do not complete their full school year. In these instances, the protection afforded by this plan will be a welcomed resource.

As enrollment in this plan is mandatory, a careful reading of this information, which describes the protection available to you through the Tuition Refund Plan, is urgently recommended.
