

# QMS ENGLISH AS A SECOND LANGUAGE (ESL)

An Integrated Program for Successful Language Learning

# QUEEN MARGARET'S SCHOOL

## Blended Intensive ESL/English Immersion Program Overview (Grades 7 - 10)

- Every new international student is individually assessed for placement in either our unique, fast-paced ESL program or the general academic program.
- In our ESL programs we offer advanced and beginner level classes to best suit the specific needs of each student.
- Every ESL student attends general Math, Sciences, Fine Arts, Athletics, Computer and Applied Skills courses in English.
- Students who transition to the general academic program continue to receive ESL support in a tutoring block to assist with all courses.
- We offer English 10 and English 11 credit courses in the summer.

*ESL is a required program for any student who cannot demonstrate grade level proficiency in English.  
ESL tuition fees are paid in full before each enrolment year.  
See full fee schedule for more details about school fees and program expenses.*

## AN INTEGRATED ESL INSTRUCTION PROGRAM

Queen Margaret's School aims to quickly integrate our students into the full Canadian academic program and prepare them for university.

Our approach is personal, engaging, and unique. We support our ESL students in an intensive, fast-paced program. Beginner and advanced English learners receive a customized learning plan to increase their abilities in reading, writing and conversation.

This dedicated ESL classroom time is blended with English-speaking classroom instruction in Mathematics, Sciences, Fine Arts, Athletics, Computers and Applied Skills.

Our safe and structured boarding program encourages students to speak English and provides a wide range of opportunities for students to interact including field trips, evening and weekend activities, outdoor adventures and cultural dinners.

Students are given the opportunity to make new friends and experience Canadian lifestyle and culture.

All QMS Grade 12 graduates are accepted to universities or post-secondary institutions in Canada, the USA or abroad.
